PASTOR'S REFLECTION

October 15th we celebrate the feast day of Saint Teresa of Avila. She is one of the few women Doctors of the Church, a great contemplative, a Carmelite nun, but most importantly she was a great lover of Our Lord Jesus Christ.

Prayer - One of the hallmarks of the spiritual heights of Saint Teresa of Avila is the importance of prayer. Even though she struggled for many years she teaches us this basic, but indispensable spiritual truth - Perseverance in prayer! Meditate upon her immortal words of wisdom and memorize, *"We must have a determined determination to never give up prayer."* Saint Teresa of Avila gives us one of the classical definitions of prayer in the history of Catholicism, *"Prayer is nothing more than spending a long time alone with the one I know loves me."*

Love for Jesus - Saint Teresa gives us a hint to prayer growth. This woman Doctor of the Church said that she found many graces by meditating upon the humanity of Jesus. Spending time with Jesus, the Son of God made man, and entering into colloquy with Him is a sure path to growth in prayer. In the call to contemplate the love of Jesus, through His sorrowful passion, Saint Teresa saw Jesus with His crowned Head and this moved her to a greater love for Him.

Spiritual Direction - To attain constant growth in the spiritual life, we must have some form of spiritual direction. Spiritual blindness, we all experience; we can and must all find some form of periodic spiritual direction. Saint Teresa said, *"He who as himself as guide has an idiot as a disciple."*

The Cross as the Bridge to Heaven - Jesus said, "*Anyone who wants to be my follower must deny himself, take up his cross and follow me."* Saint Teresa lived with a constant friend - the cross of Jesus. Her health was always very fragile; she almost died while very young. Instead of becoming discouraged and losing heart, she joyfully trusted in the Lord all the more because her fragile health was His doing anyway.

Our Lady - During the whole course of her religious life, Saint Teresa of Avila loved the Blessed Virgin Mary. The title of her specific Marian devotion was Our Lady of Mount Carmel. Never forget, in your love for Our Lady, to wear the Scapular of Our Lady of Mount Carmel. (Saints and Angels)

Saint Teresa of Avila Pray for us.

Peace,
Fr. Joji

Communion of Saints - The relationship we share with one another through our relationship with Jesus Christ. This communion is shared by the saints in heaven (Church triumphant), the souls in Purgatory (Church suffering), and the faithful on earth (Church militant, or pilgrim Church). The term also applies to our sharing in the spiritual goods of the Church.
